Anticipating award of the 2010 Olympic Games, the British Columbia (BC) Ministry of Transportation planned improvements to enhance highway safety, reliability, and capacity to the only highway linking Vancouver with the Whistler ski area.

CH2M HILL was selected as program manager for the procurement process (capital value US\$700 million), successfully delivering the first public-private partnership of a design-build-finance-operate transport project for BC. CH2M HILL also provided onsite

assistance to the Vancouver Organizing Committee (VANOC) to develop a sustainability management system that will guide all aspects and activities associated with planning and delivering the Games.
